

R.S.P.C.A. TAMESIDE & GLOSSOP BRANCH

WHO ARE WE?

The Tameside and Glossop Branch of the RSPCA, in common with all local branches is separate and independent from the parent charity, ie the National RSPCA. The easiest way to understand this structure is to think of it in terms of a Franchise.

There are 174 Branches of the RSPCA and every Branch is slightly different from its neighbours. They operate their own animal welfare programmes, which run "in tandem" with the National Society.

Each branch raises its own funds and manages its own affairs. The Tameside and Glossop Branch is run entirely by volunteers.

WHAT DO WE DO?

The branch raises money to re-home animals brought in by RSPCA Inspectors and to operate a scheme which helps people on means tested benefits to afford the veterinary treatment which their animals may require.

Re-Homing Inspector Generated Animals - The Branch does not take unwanted animals from the public. We do pay for the boarding of animals brought in by our local RSPCA Inspectors, which may have been the subject of a cruelty case. We re-home these previously ill-treated animals to caring new owners whose suitability has been assessed by one of our team of volunteer home visitors

Assisted Treatment - Tameside residents are advised to contact the Greater Manchester Animal Hospital (GMAH) in the first instance (08709 085 311) open consultations (no appointment needed): 7.30am – 4pm weekdays, or to ask their local veterinary surgeon if they operate the scheme. They must take along some proof that they are in receipt of benefit when they visit the surgery. Help is given on a sliding scale on bills over £40.

Glossop residents fall outside GMAH catchment area and are advised to contact their own veterinary surgeon to ask if they operate the scheme.

Assisted Neutering - Our assisted neutering scheme is operated to help reduce the number of unwanted animals in the area. (See above for details)

With the help and generosity of local veterinary surgeons we offer people on means tested benefit the opportunity to have their animal neutered at 50% of the normal veterinary practice fee.

Dog Walker Volunteers' Guidelines (inside)

ABOUT THE BRANCH

The Tameside and Glossop Branch is operated entirely by volunteers. We are small in number and always welcome new people. The need to meet our ever-increasing expenses is an ongoing commitment. Almost every year we spend more money than we can raise. Funds are always desperately needed to ensure that we can continue to board the animals in our care until they find new homes.

TRAINING

Expert advice and support is always on hand for all volunteers helping the RSPCA. The branch can arrange for volunteers to take part in training courses provided by the National Society. If you wish to take part in any of the courses on offer, please let us know.

RESPONSIBILITIES

Dog Walking Volunteers are responsible to our Kennel Liaison and Rehoming Coordinators, Joyce Armfield and/or Sue Riley.

As a Dog Walker you will be expected to be calm and above all caring when dealing with the dogs in Branch care.

Get to know each individual dog so that you can report any suspected illness or behavioural problems to the coordinators.

Under normal circumstances RSPCA dogs, which are fully vaccinated, can be walked outside the premises. However, they should not be allowed off-lead in any area outside the secure paddock at MPS. Be extra gentle and understanding when dealing with those dogs, which are finding it difficult to adjust to life in kennels.

Additionally you should ensure that MyPetStop (MPS) staff are aware you are visiting the premises. Always sign in on the RSPCA's health and safety form held on the reception desk at MPS and have your volunteer's ID pass on display.

Be considerate of MPS's Staff, customers and premises

INSURANCE

Branch volunteers are covered by RSPCA Insurance. You must be over 18 years of age and under 75 years old to benefit from this.

Unfortunately, anyone who is not a registered volunteer will not be covered by our insurance and MPS 's insurance only covers their own paid staff and customers.

As a result, volunteers should not take any visitors, either friends or relatives, along with them when carrying out their duties at the centre, without prior arrangement with our kennel liaison coordinators (Tel: 07050 264 531).

OUT OF POCKET EXPENSES

Travel expenses to and from the boarding establishment are not offered for this opportunity, however, volunteers can claim out of pocket expenses incurred when taking dogs to vets, undertaking pre-adoption home visiting or fostering. Please ask one of the Coordinators for a claim form

For up to date information on the dogs in our care, please read the notes on each pen or visit the website at
