

Local animals need your help

The RSPCA Tameside and Glossop Branch helps to rescue cruelly treated and neglected animals in its area.

We provide any necessary veterinary treatment and care for these animals until we can find them a permanent, loving new home.

We also give advice to pet owners and, where possible help those on low incomes with the cost of urgent veterinary treatment.

Wonky

This little kitten was brought to the branch when his mum and sisters were found living in a house full of rubbish. Wonky is very special. When Wonky was taken to his foster family at 10 days old we realised he had a

Wonky leg and tail. His leg has straightened out a lot as you can see and it doesn't stop him from climbing, playing and being a happy little kitten. Wonky went on to live with a little boy who also has a disability and who has renamed him Hero, because his family said that this little kitten is definitely a hero.

Bert

One of the RSPCA's Inspectors brought Bert, who is about 12 years of age, to the branch to find the urgent care he desperately needed. One of our brilliant, volunteer foster families agreed to take him into their home to try their very best to help him recover from his appalling neglect.

This lovely boy was quite literally a walking skeleton when he arrived, with pressure sores from lying on concrete, and was in a collapsed state finding it very difficult to even stand up to eat and drink.....but just look at him now!

Help

Without the dedication of our volunteer fosterers and the generosity of local people the branch could not have given Bert and Wonky the home care they needed nor could we afford the essential veterinary care to help all the neglected animals brought into the branch to find their forever families.

Leave a legacy

A legacy to the RSPCA Tameside and Glossop branch will provide crucial funds to allow us to continue to help and re home as many needy animals as possible. We couldn't do this without such generous support from the public.

You can help us and local animals by making a will or by adding a codicil (a document which specifies alterations to your will). If you are making a will, please remember that the RSPCA Tameside and Glossop Branch and all other RSPCA branches are separately registered charities. So, if you would like the animals in your local area to benefit, we suggest that your legacy reads:

I give the sum of £..... (or specify a share of residue) to the Honorary Branch Treasurer, RSPCA Tameside and Glossop Branch, 1 High Meadows, Romiley, Stockport SK6 4PT, Registered Charity Number 232260, for its general purposes and I declare that the receipt of the Honorary Treasurer or other proper officer of the said RSPCA for the time being shall be a full and sufficient discharge for the said legacy.

Please note that a will or codicil needs to be properly witnessed, and you should obtain legal advice.

Gifts to registered charities are generally exempt from inheritance and capital gains taxes. A gift to our branch would therefore greatly benefit local animals with minimum burden to your estate.

Leave it to us
